CERTIFICATE OF ANALYSIS

Name of Item: 2,7-DICHLORO FLUORESCINE AR Formula: C₂₀H₁₀Cl₂O₅

M.W.: 401.21

Batch No.:

CAS NO.: 76-54-0

Cat. No.: UP1548

Date of Mfg.:

Date of Analysis:

Type of Test	Standard	Observed
Description	A reddish brown powder	A reddish brown powder
Clarity of alcohol solution (0.1% solution in 70% alcohol)	The solution should be clear & greenish yellow	The solution should be clear & greenish yellow
Suitability as absorption indicator for argentometric titration	Passes test	Passes test

Results : The above product complies with AR grade
